

Bravo Advanced eXperience by Chime Master

An affordable solution that's easy to use.

Featured on the Bravo AX™ is a color touch screen presenting intuitive customizable menus. Initial setup screens clearly guide you with questions about your traditions, ringing preferences and schedule needs.

Chime Master includes five available instrument combinations in the Bravo AX™. A front facing speaker provides inside ringing. The Bravo AX™ is compatible with most existing audio systems.

An expansive library of selections includes hundreds of hymns in various arrangements and multiple customizable ringing functions.

Control your bells remotely from anywhere with Chime Master's exclusive Chime Center™. This portal seamlessly integrates online management and remote control. Online tools facilitate schedule changes, backup of settings, as well as automatic updates as soon as they are available.

FEATURES

Bell Instrumentation

Five bell instruments give your church a distinctive voice in your community.

Enhanced SmartAlmanac™

Follows the almanac calendar and plays music appropriate to the season automatically.

Liturgical Ringing

Nearly 100 Peals, Tolls, Swinging, and Angelus bells to meet your congregation's needs for Weddings, Funerals, Calls-to-Worship, Mass, and Prayer.

Extensive Musical Library

Hundreds of beautiful selections recorded by experienced church musicians. Additional collections of music are available.

Clock Chiming

Keep time with customizable hour striking with or without the Westminster Chime.

Auto DST

Never worry about Daylight Savings Time changes ever again!

Power Backup

If the power fails, a permanent power source maintains the time and schedule for seamless recovery.

Built-In Monitor Speaker

Monitoring of ringing built right in to the cabinet.

Chime Center™

Experience our advanced control, setup, and online support with a complementary one-year subscription to Chime Center.*

Pro-Audio

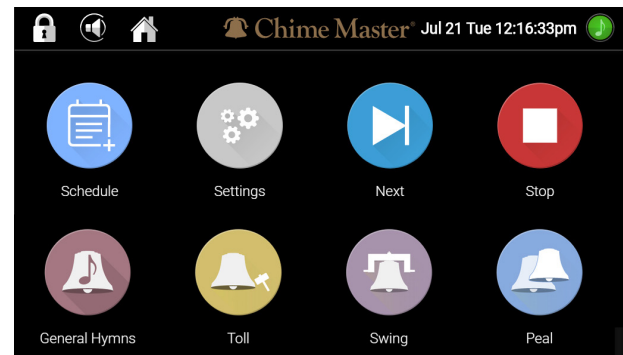

Balanced high level line outputs provide the power and versatility to drive high quality amplifiers and mixers.

Height and Weight

- 16.5 W x 5.25 H x 8 D (inch)
- 10 pounds
