Jeff Crook, Chime Master

Jeff,

What can I say other than that our bells are exquisite!! I never thought we would be able to have them again in my lifetime. Now, thanks to the efforts of the JUMC Methodist Women's group and the donation from a generous benefactor, we have them again.

The chimes were such an integral part of my growing up years, that it makes me want to cry when I hear them. Brian's young son, Zane, runs out the back door as soon as church is over just so he can hear them outside. They were such a beautiful addition to our Easter services and we have used them for a funeral already.

When I searched the internet for chimes, I think God led me to Chime Master. Your presentation to us was the epitome of salesmanship and your staff could not have been more helpful on the phone. We look forward to many years of beautiful chime bells in our community and a legacy we will leave for the next generation. Thank you, Jeff.
