I wish to thank you and your company on behalf of the congregation for your interest and support for Horace Lutheran Church. Your help was essential in engineering the plan to preserve the sound of our old bell to prepare it to add to the new bell tower. Your professionalism helped to preserve and incorporate it into the new church landscape. Mr. Hodges worked to train our people to operate the system.

Other members and former members of Horace Lutheran have shown similar interest and on Reformation Day, October 28, 2012, we gathered in thanks and celebration. We are enclosing a copy of the bulletin prepared for the dedication of the new bell tower and re-dedication of the bell cast in 1902 for the Froen Lutheran Church in Horace, North Dakota. We thought you might enjoy the photo of the finished product.

As the newly installed pastor of Horace Lutheran Church, I am pleased to be leading the ministry of one of the oldest, yet fastest growing churches in the ELCA. Again, thank you. God bless you.

Sincerely and humbly
