Dear Jeanne:

It has been over a half year since our Chime Master Carillon was installed, and we are happy to report no problems and many compliments. The only complaint we have received is that some wish they were louder. But, we have to be sensitive to those who live closer to the church. We have three schools in the area, so it's a wonderful witness to those children, and the neighbors look forward to the hours it plays. Members also enjoy the playing of hymns before worship which can be heard inside and out. The Christmas holidays were especially appreciated.

Mechanically, they have worked perfectly, even adjusting to the 'time change' and special holy season music. The couple of questions I did have were answered promptly and fully.

We look forward to many years of good music and witness to the community.

Sincerely,

*Pastor Lawrence Wogman*
