Chime Master Systems
P. O. Box 936
Lancaster, OH 43130

Dear Chime Master Systems:

We are very pleased with our Chime Master system. Our community has been very complimentary of the beautiful sound of the carillon bells. It has brought warmth to our community and an ever present reminder of a divine presence. It has been very nice to bring a piece of our history to the Decatur community. Thank you for your assistance in accomplishing our goals.

Sincerely,

Dr. Van W. Gardner
Pastor
