Chime Master Carillon Systems
P.O. Box 936
Lancaster, Ohio 43130

Dear Mr. Crook and Staff:

Our Church purchased a Chime Master System one year ago, we have been totally delighted with the performance and it has charmed our surrounding community.

We have had many favorable comments about the beautiful music it provides twice every day, also programming the system for special occasions is very easy for anyone to learn.

The Chime Master Carillon has enhanced our worship time and gives our special gatherings a pleasant spiritual atmosphere.

It has been a wonderful investment for our Church, we would recommend your Company to anyone considering the purchase of this equipment.

Thanks to all of your pleasant staff for their help.....

Sincerely Yours In Christ,

Mary E. Stanley, Clerk
