Dear Jeffrey,

Just a short note to let you know how excited and pleased we are with the chimes we installed in our church from your company!

They are exactly as advertised in performance and quality. The sound and feeling the music sends out into our community has brought us new members and so pleased our old members that we could not be happier!

We have used the chimes for special occasions such as funerals, weddings, and seasonal music.

The financial investment is very small for the return we are getting in bringing our church even closer to our God!

Sincerely,  
Bill H. H. H.
