Dear Jeff,

I wanted to write and let you know how much our church members and the local community have enjoyed the Chime Master Systems carillon that was installed at Graham Memorial Presbyterian Church. The system itself is very user friendly and we are very satisfied with its performance. We had a dedication ceremony during worship on Sunday, April 2, 2000, and dedicated the carillon in memory of a longtime choir director, A.F. Thomas, Jr. The system has been used in several weddings at the church.

We have received many comments, both written and verbal, from members of the community. One such letter thanked the church for the beautiful hymns that were played at the noon hour each day. It was stated that the beautiful music made people remember that Christ has to be first and foremost in our lives. Others have commented on how much they look forward to the chimes each hour of the work day.

In every day and in every way the people of the congregation and this community enjoy the Chime Master Systems carillon and are thankful for such a meaningful memorial contribution to the spiritual life of the city.

Sincerely,
