Mr. Jeff Lockard
National Sales Representative
Chime Master Systems
P.O. Box 936
Lancaster, Ohio 43130

Dear Mr. Lockard,

Thank you for your note regarding the recently installed carillon system at Church of the Redeemer. After six months in our new church building I must say that we have been very happy with the new carillon. It rings daily at 8 A.M., Noon, and 6 P.M. and then plays a hymn. From day one members of the congregation and local community have expressed great joy to hear the "sound of church" ringing from the bell tower. Last week, as we celebrated our first Easter in the new building, we used the peal of bells as we left the church following a joyous service. It was an amazing experience!

We are most happy with the installation and everything seems to work in an excellent fashion.

Thank you for a fine product that is a wonderful enhancement to our new church building and our worship experience.

Every blessing in this Easter season.

Yours sincerely,

Harold F. Roberts
Rector
