Dear Rhonda,

First Baptist Church in Ottawa Kansas has enjoyed our carillon for about nine months. We have received many positive comments from our congregation and wonderful remarks from the community.

Thanks to Chime Master for a professional installation and many helpful responses from Paige McGee and other staff members concerning programming.

The carillon replaces a system that was demolished by lightening in the 1950's. It's wonderful to hear again the beautiful sound from our 115 plus year-old church tower.

We are very proud to provide the great sound of the carillon for the City of Ottawa as well as our church members.

I would be honored to recommend Chime Master Systems, their equipment and service to anyone.

Sincerely,

Charles Gillette
