Dear Mr. Crook,

Previously this church had a chime system that became antiquated and had stopped working. Our congregation missed hearing those wonderful chimes as did our community. They seemed to remind us of God's presence in our lives, in our everyday moments.

Last year we purchased a Chime Master. We want to let you know how pleased we are with this system.

Our experience with your company has been nothing less than enjoyable. Everyone we've had contact with has been very knowledgeable and helpful. This very affordable system has given us the ability to touch everyone in this neighborhood. We are constantly hearing great comments from the community regarding the carillon and hymns that are playing. Our congregation is so pleased and proud of this system.

We thank you for taking such good care of us and we look forward to a long and gratifying association with your company.

Sincerely,

Lonnie Hargrove
Head of Trustees
