Dear Mr. Crook,

Not too long ago we installed the Chime Master System in Holy Trinity Church. We have had many compliments on the system. It has been trouble free so far. The timer on it has worked well. I believe that it is much easier to work with than I expected. I want to thank your people for a job well done in following our instructions as to when the chimes should ring.

The System has certainly enhanced our presence in this community. May God bless your efforts.

Sincerely,

+ Charles J. McDonnell
